

# Rec Update Annual Meeting 2019

16th April 2019

## OVERVIEW

In March 2018 Julian Dean gave the following prices for work to be carried out.

- double swing - £500
- string/log unit - £190
- rocking horse - £200
- fence repairs - £310

We received a locality budget of £1000 to carry out the works. The two in green went ahead, as well as the purchase of the new bin (as the existing bin was considered a safety hazard).

The fence works was put on hold until it was an appropriate time to discuss with the owners at the time because Mr Fordham was unwell.

|                       | Money In  | Money Out |
|-----------------------|-----------|-----------|
| Locality budget       | £1,000.00 |           |
| Bin                   |           | £129.95   |
| Swing repair          |           | £500.00   |
| Rocking horse matting |           | £200.00   |
|                       |           |           |
| Totals                | £1,000.00 | £829.95   |
|                       |           |           |
| Remaining             |           | £170.05   |

The string unit is now becoming quite bad, so I would like to get this repaired. The Barclays rec account also has £192.34 however this has been closed due to inactivity, but Charlotte Mallett is in the process of claiming this back.

## IMPROVEMENTS WISHLIST:

String unit - £190

New goal nets - £100
